Vintage Kids' Books My Kid Loves Where Did I Come From

This book is all about you. We wrote it because we thought you'd like to know exactly where you came from, and how it all happened. The blurb on the back of my 1979 printing from Dr. Spock reads: I give this book top grades for humanness and honesty. Some parents will find that its humorousness helps them over the embarrassment. Others may be offended.

Where Did I Come From Peter Mayle Arthur Robins

"Where Did I Come From" is very cleverly written, and I love it's description of conception and pregnancy. The description of sex was too graphic and lovey-dovey for what I thought was a good explanation for a seven-year-old with divorced parents. It goes into several pages of descriptions of kissing, thrusting, erections, the male orgasm, and ultimately makes sex sound like a very male-

centric act (and always, curiously, in missionary position).

<http://starinv.co/Where-Did-I-Come-From-Peter-Mayle--Arthur-Robins--.pdf>
